Nobo Tripod Projector Screens have a brilliant matt white surface with a distinctive black border to provide a sharp, detailed image. Flexible for digital or overhead projection and fully mobile.

Features and Benefits

- Free standing - ideal if you have limited wall space, or if you want to move the screen around a room, or between rooms
- Wide format 16:10; ideal for digital projectors or OHP
- Smart black border for a professional sharp edged image
- Brilliant lustre projection image
- The screen can be easily retracted into its housing to protect from damage
- An overhead arm tilts the screen towards the audience
