Catalogue Copy

Kensington's clicksafe 2.0 keyed laptop lock offers all the strength and one-Click convenience and keyless engagement of the original, just in a smaller, uncompromised design.

Features and Benefits

- Tough yet smaller lock head offers uncompromised security for a wide variety of laptops and devices
- The lock provides one-Step security after the anchor has been installed into the security slot
- 5mm keying system featuring patented anti-Pick hidden pin technology
- Carbon steel cable resists cutting attempts and anchors to desk, table or any fixed structure
- Pivot and rotate cable provides superior laptop engagement
- Register & retrieve program allows you to order replacement keys
- Verified and tested for industry-Leading standards in lock lifecycle, corrosion, and strength
- Limited lifetime warranty guaranteed by Kensington, the worldwide leader in laptop locks
