Catalogue Copy

This phone mount gives you a simple way to mount your phone in your car allowing for safe hands-free operation whilst driving

Features and Benefits

- The padded grips on the clip-on mechanism are designed to grip to the air vent without causing any damage whilst making it tight and secure during use.
- Maximum weight loading of 500g and the ability to hold a phone up to the width of 85mm
- The mount can rotate 360° allowing you to find the ideal angle for your phone
- The addition of a cable clip means you never have to go fumbling for your charging cable
