Floortex polycarbonate chair mats are the ultimate in quality and durability in floor protection easy glide performance. These high clarity chairmats for carpeted flooring have double the impact strength of PVC and will not crack, curl, discolor or smell.

Features and Benefits

- Premium mats are incredibly tough and durable with twice the impact strength of PVC to provide a perfectly flat and rigid ergonomic easy glide roll surface.
- Rectangular office chair mat provides protection around and under your computer desk.
- Polycarbonate floor protector will not sink, crack, curl, discolour or smell.
- Lies instantly flat from delivery for immediate and effective use.
- Protects your carpeted floors from general wear and damage caused by casters on rolling chairs.
- Thickness 2.7mm.
- For deep pile carpets over 12mm.
