Description: TRUSENS Z3000 HEPA FILTER PET
Category: BUSINESS MACHINES

Tagline

Delivers Cleaner Air So You Can Trust The Air You Breathe.

Catalogue Copy

Breathe cleaner air with a Z1000 3-in-1 filter that helps eliminate common pet odours. In addition to common household allergens & pollutants, this filter drum captures up to 99.97% of airborne pet dander. Compatible with all TruSens Z3000 Air Purifiers.

Features and Benefits

- This combination filter has 3 levels of filtration formulated specifically to combat pet odours and dander
- 3 level filtration combines True HEPA filter with an activated carbon filter & a washable prefilter
- 360 degree filtration draws in air from all directions, collecting pollutants from around the room
- The filter is at the core of purifying your air & replacement is essential for optimal performance
- It is recommended to replace the Pet HEPA Drum every 12 to 15 months, depending on usage
- It is recommended to replace the Pet Carbon Filter every 3 to 4 months, depending on usage
- Change indicator glows red on your air purifier when the filter needs to be replaced
- Compatible with the all TruSens Z3000 (Large) Air Purifiers
