Catalogue Copy

Best of class! Fully automated, high speed laminator with unique smart sensor technology # no complicated settings, perfect results!

Features and Benefits

- Recognises document thickness and automatically selects the best speed.
- Up to 2000 mm/min laminating speed - fast laminating speed in the iLAM range!
- RapidHeat technology provides a quick 1-minute warm up time
- No need to wait when switching between different pouch thicknesses
- Easy feed tray & unique patented fold out flaps ensuring consistently even, high quality lamination
- Low energy consumption, auto shut-off when the device isn't used for 30 minutes
- Auto reverse function # prevents jamming when the laminator is misfed
- Accepts 80 to 250 micron pouches and includes a free pouches starter kit
- LED on/off and reverse indicator
