Optimised for video conferencing applications, Kensington's W1050 1080p Fixed Focus Wide Angle Webcam is a professional and cost-effective webcam delivering high-quality video and a cohesive software and accessory experience

Features and Benefits

- The W1050 delivers vibrant 1080p video and a large sensor for improved low-light imaging. Perfect for presenting on Microsoft Teams, Google Meet, Zoom, and more
- The fixed focus glass lens manually adjusts up to 37° vertically and 360° horizontally
- The 95° field of view is perfect for small team meetings, teaching lessons, or presenting products
- Kensington Konnect software simplifies customising your video settings with the click of a button
- Electronic pan, tilt, & 2x zoom simplifies focal point changes between you, your team or background
- Two microphones with noise-reduction technology ensure you sound professional
- Connect with confidence knowing Kensington stands behind the W1050 with a 2-year warranty
