The Professionals' Choice

Catalogue Copy

The W3050 EQ 1080p Auto Focus Webcam is ideal for security-conscious organisations that demand reliable, private video communication. A manual privacy shutter and one-touch mute button provide immediate, physical control over your camera and microphone.

Features and Benefits

- 1080p @ 30 fps with auto-focus for sharp, clear video quality.
- Omnidirectional mic for clear, full-range audio pickup.
- Plug-and-play USB (USB-A & USB-C®); compatible with Windows, Mac, ChromeOS, Zoom, Teams, etc.
- Built-in privacy shutter covers the lens when not in use
- One-touch mute button (LED indicator) ensures no accidental audio
- TrueHue® software lets you adjust video settings for a perfect picture
- Outer shell made with 46% post-consumer recycled (PCR) content*
- *Excludes screws, glass lens, and led light
- 2-year limited warranty
