Optimised for video conferencing applications, Kensington's W2000 1080pAuto Focus Webcam delivers crisp high-quality video, omni-directional sound, and a cohesive software and accessory experience

Features and Benefits

- The W2000 delivers crisp and vibrant 1080p video # using automatic focus and light correction technology to present you, only better. Perfect for Microsoft Teams, Google Meet, Zoom, and more
- Integrated software simplifies customising your video settings with the click of a button
- Adjust your webcam up to 37° vertically and 360° horizontally to ensure the best camera angles
- Use the electronic pan, tilt, and 2x zoom (ePTZ) to optimize your video frame
- An integrated lens cover lets you easily control who sees you
- A narrow 65° diagonal field of view provides a personal and private video frame
- Sound your best - A built-in omni-directional microphone incorporates noise-reduction technology
- The W2000 accommodates both USB-A and USB-C devices like laptops and desktops
- Backed by a two-year warranty
