Kensington's L1000 Bi-colour Ring Light with Webcam Mount is an affordable, feature-rich lighting solution for quickly improving the way you look on video conference calls

Features and Benefits

- 96 LEDs with 120° beam angle provide maximum light spread, a frosted lens distributes light evenly, and a max brightness of 960 lumens perfectly augments the lighting in most office environments
- The bicolour LEDs offer a wide temperature range (cool, natural, or warm)
- Control the brightness of your L1000 with the push of a button#selecting between 20% and 100%
- No outlet required, simply attach to any open USB-A port on your computer or docking station
- Center-ring webcam mount provides even illumination regardless of webcam angle
- The 2.5mm ball joint mount offers 360 degree horizontal rotation and 200 degree vertical movement
- Connect with confidence knowing Kensington stands behind the L1000 with a 2-year warranty
- Stand sold separately
